Announcement: Sussex 50th Anniversary DPhil (PhD) Research Scholarships (UK)

The University of Sussex is ranked amongst the world's most prestigious universities and boasts a dynamic and thriving research agenda. Our world-leading research has extended the boundaries of knowledge and made an impact on the lives of people, enterprises and communities across the world.

To help mark the University's 50th anniversary in 2011/12, we are delighted to offer a small number of Sussex Fund 50th Anniversary Research Scholarships, which are provided through the generosity of Sussex alumni. The Scholarships reflect the University's strong international identity and are available to applicants from China, India and the USA.

Here are opportunities for anyone who is interested and may apply (due 29th of April, 2011).
