IRJBB IS AN OPEN ACCESS JOURNAL  
One key request of researchers across the world is unrestricted access to research publications. Open access gives a worldwide audience larger than that of any subscription-based journal and thus increases the visibility and impact of published works. It also enhances indexing, retrieval power and eliminates the need for permissions to reproduce and distribute content. IRJBB is fully committed to the Open Access Initiative and will provide free access to all articles as soon as they are published.

What is the advantage to you of publishing in International Research Journal of Biochemistry and Bioinformatics (IRJBB)?

- Full open access: everyone can read your article when it is published
- Publishing decision within 3 weeks of submission
- Prompt and fair peer review from two expert peer reviewers
- Frequent updates on your paper's status
- Friendly responsive staff

We welcome all your submissions.
I hope you will consider International Research Journal of Biochemistry and Bioinformatics (IRJBB) for your next submission.

Best regards,
Syed Ibrahim Rizvi ,
