Dear Beloved Students,

After attended the 13th week class meeting with topic of "Integrated Farming, Sustainable Agriculture and Renewable Energy" and plus VIDEO of "Padamu Negeri", could you please write down your perception and impression of Indonesian agriculture. Give your opinion to develop Indonesian agriculture in the future.

Drop your answer in this comment box by December 17, 2012 @ 12 PM, please. Your comment would be appeared after I approved it.

Good LUCK!!!

All the best,

P06 Class - PIP's Coordinator: Prof. Hadi Susilo Arifin
