Nagaoka Univ. of Technology, Summer School 2017

Program overview
Nagaoka University of Technology (NUT) is currently inviting students from overseas universities to apply for the Nagaoka Summer School for Young Engineers (NASSYE) in 2017. Program content includes participation in a research-based program at an assigned laboratory, collaborative work with NUT students, company and factory tours, and experiencing Japanese culture.

The program is free of charge for successful applicants, and will not require any payment of participation fees. In addition, NUT will provide the following to each participant:

1. Scholarship: JPY 40,000
2. Accommodation in Nagaoka

Eligibility
1. Enrolled in the third year of an undergraduate program or in the first year of a master's program at an overseas university at the time of application, and scheduled to graduate before March 31, 2019
2. Have interest in enrolling in the master's or doctoral programs at NUT in the future
3. Have at least one of English language proficiency certifications listed in the website

Deadline of application (document must arrive by: April 21, 2017)
