He is the One to Whom belongs the highest wisdom, the One Who is All-Wise in His creating and commanding, Who perfected everything He created, "and Who is better than Allaah in judgement for a people who have firm faith?" (5:50)
Therefore He has created nothing out of mere frivolity and He has legislated nothing that is vain and of no use. The One to Whom belongs wisdom in the beginning and the end. He has three areas of ruling which nothing else has a share in: He rules between His servants with respect to His Law, His Decree and His Recompense. Wisdom is to place something in its correct place.

"For those who believe not in the Hereafter is an evil description and for Allaah is the highest description. He is the All-Mighty, All-Wise." (16:60)

"It is He Who is the only God worshipped in the heaven and the on the earth. He is the All-Wise, the All-Knowing." (43:84)
