He is the One Who is vast with respect to His Attributes and qualities and those things linked to them - this from the point of view that none can enumerate His praise as He deserves, rather He is as He has praised Himself. Vast in grandeur, authority and dominion, Vast in bestowing grace and good and Vast in Goodness and Nobility.

"The likeness of those who spend their wealth in the Way of Allaah, is as the likeness of a grain (of corn); it grows seven ears, and each ear has a hundred
grains. Allaah gives manifold increase to whom He pleases. Allaah is the Vast, the All-Knowing." (2:261)

"O you who believe! Whoever from amongst you turns back from his religion, Allaah will bring about a people whom He will Love, and they will love Him; humble towards the believers, stern towards the disbelievers, fighting in the Way of Allaah and never afraid of the blame of the blamers. That is the Grace of Allaah which He bestows on whom He Wills. Allaah is the Vast, the All-Knowing." (5:54)
