Empowering Question

Today's Empowering Question

"What is the most appropriate form of appreciation and/or service I can provide to each person?"

Do not believe in anything simply because you have heard it.

Do not believe in anything simply because it is spoken and rumored by many.

Do not believe in anything simply because it is found written in your religious books.

Do not believe in anything merely on the authority of your teachers and elders.

Do not believe in traditions because they have been handed down for many generations.

But after observation and analysis, when you find that anything agrees with reason and is conducive to the good and benefit of one and all, then accept it and live up to it.

Thought of The Day
If you want to build a bridge to God, you must also build bridge with the people in your life -- friends and foes included. You can not obtain one without the other. Push yourself to make peace with people--today!
