"If you really want something you'll find a way. If not you'll find an excuse."

How long can you hang in and continue to push? When everyone else gives up, will you be that one person who continues to strive for greatness? Just because it is hard to see a way out doesn't mean that there isn't, so you have to continue to hang on even when it seems popular for others to let go and give up.
Those who obtain greatness are outnumbered by those who aren't ever able to achieve it because it takes a lot of heart to dare to believe in success that seems so far out of reach.

You have not yet lived your best, and you have to do your part and believe that more success is coming your way. Believe that though things may be bad right now, they can and will change with an unshakeable faith, and a very determined will, you will reach the high places you are destined to reach.
