Life Before Computer

* Memory was something that you lost with age
* An application was for employment
* A program was a TV show
* A cursor used profanity

* A keyboard was a piano
* A web was a spider's home
* A virus was the flu
* A CD was a bank account

* A hard drive was a long trip on the road
* A mouse pad was where a mouse lived
* And if you had a 3 1/2 inch floppy
....you just hoped nobody found out
