Life is A Gift

Life Is a Gift

Today before you say an unkind word -
Think of someone who can't speak.
Before you complain about the taste of your food -
Think of someone who has nothing to eat.

Before you complain about your husband or wife -
Think of someone who's crying out to GOD for a companion.

Today before you complain about life -
Think of someone who went too early to heaven.

Before whining about the distance you drive -
Think of someone who walks the same distance with their feet.

And when depressing thoughts seem to get you down -
Put a smile on your face and think: you're alive and still around.

Thought of The Day

A good way to change someone's attitude is to change our own.
Because, the same sun melts butter, also hardens clay!
Life is as we think, so think beautifully.

Every little smile can touch somebody's heart
A good way to change someone's attitude is to change our own.
Life is as we think, so think beautifully

=================================

I pray this moves around the entire universe...
