One Day You Will Be Able To Forgive

"Forgiveness doesn't excuse their behavior. Forgiveness prevents their behavior from destroying your heart."
What about what is fair? What about your pain? What about what you did to mess things up? And what about the things you didn't do to stop yourself from being hurt? What about the past?

One day you will be able to forgive, and one day you won't even ask yourself what about the past. One day you will be able to trust again, and one day you won't harbor any ill feelings towards those who have done you wrong in life!

To be able to forgive you have to be able to dedicate your life to growing. Those who refuse to learn and grow from the things they have been through won't be able to forgive because they choose to allow misery and their past to grab a hold of them until they choose to learn and grow.

Make yourself better each day, and soon you will be able to forgive those who have trespassed against you.
