Promote What You Love Instead Of Bashing What You Hate

"Promote what you love instead of bashing what you hate."
People hate when they feel as though their efforts haven't been, and probably won't be as adequate as what they see someone else doing. It is instinctual for people to challenge other people who seem to have a slight edge on themselves, but that doesn't mean we should not work hard at loving each other, instead of stubbornly clinging to hate.
