Yes, I Can Read It
Wow! I've seen this with the letters out of order, but this is the first time I've seen it with numbers.

Good example of a Brain Study: If you can read this OUT LOUD you have a strong mind.

And better than that: Alzheimer's is a long, long, way down the road before it ever gets anywhere near you.
If you can read the following paragraph, forward it on to your friends.

This is weird, but interesting!
If you can read this, you have a strange mind, too.
