Yes, I'm an Introvert
yes, i’m an introvert.

no, i’m not shy.
no, i’m not stuck up.
no, i’m not antisocial.
I’m just listening.
I’m just observing.

I can’t stand small talk...
But I’ll talk about life for hours.
I’d rather be home with a close friend or 2 than among a big crowd of acquaintances.
Don’t scold me in public.
Don’t embarass me in public.
Respect that I’m reserved.

And if I open myself up to you,
Know that means you’re very special to me.
Remember someone might just be faking so don’t tell them not to be happy all the time because maybe they are just act for the world..... when they become the true them you won’t like it :)
