IC-STAR - 2015

The 1st International Conference on Science, Technology, and Interdisciplinary Research (IC-STAR - 2015), [Scopus & SCI Thomson IF Journal affiliated]

September 21-23, 2015, Bandar Lampung, Indonesia

http://ic-star.unila.ac.id

****************************

>>> Call for Paper <<<

The conference will highlight recent and significant advances in research and development in science, technology, and interdisciplinary works. It will cover all aspects of science and technology especially in the area of sustainable development. Promoting advances of science and technology in support to green and sustainable development will be the aim of the conference.

IC-Star 2015 divided into several sections related but not limited to the following scientific tracks:
Section 1, Engineering and Technology: Electrical and Telecommunication Engineering; Mechanical and Industrial; Geophysics; Aeronautics; Mining and Materials; Chemical and Environmental; Civil and Architecture; Computer & Information Technology.

Section 2, Life and Applied Science: Mathematics; Physics and Biophysics; Nano- and Quantum Sciences; Biosciences and Bioinformatics; Basic and Applied Chemistry; Astronautics and Astronomy.

Section 3, Medical Science and Biomedical Engineering: Medical and Health; Dentistry; Pharmacy and Nutrition; Public Health and OSHA; Biomedical Engineering; Sport Sciences.

Section 4, Agriculture Engineering and Food Science: Agriculture; Food Science and Technology; Animal Science and Veterinary; Marine & Fisheries; Forestry and Ecology; Soil and Land Resources.

All topics are open to academic, research and industry contribution, including policy development, technical report, and research in progress.

PAPER SUBMISSION:

Papers should clearly demonstrate the research or practical contribution, the relevance to the field, and the relation to prior work. Submitted papers will be evaluated according to their novelty, significance, originality, technical quality, and exposition. Prospective authors are invited to submit original and previously unpublished paper in DOC or PDF format via conference submission system http://conference.unila.ac.id/index.php/icstar/

Submission contribution for review may include:
- regular papers (max 6 pages)
- short papers (work in progress) (2-4 pages)
- extended abstracts (2 pages)
- posters (2 pages)

The camera ready paper should be in regular version (4 to max 6 pages). All accepted extended abstract will be included in the conference proceeding.

Selected papers will be published in Journal of Applied Research and Technology (indexed in SCI Thomson, Impact Factor 0.447 and Scopus); or Trans Tech Publication Inc. (Scopus indexed); or ARPN Journal of Engineering and Applied Sciences (Scopus indexed); or IOP Science, Journal of Physics: Conference Series (Inspec and Scopus indexed).

**IMPORTANT DATES:**

Please follow the schedule below:

Paper/Poster submission due : 31 May 2015

Acceptance notification : 15 July 2015

Early bird registration due : 1 August 2015

Revised/Full paper submission : 1 September 2015

Registration due : 15 September 2015

Conference days : 20-22 September 2015
VENUE:

Emersia Hotel and Resort
Jalan Wolter Monginsidi No. 70,
Bandar Lampung, 35226
