Lecture

Ergonomics and Work Method (Teknik Tata Cara Kerja), Agroindustrial Technology Undergraduate Course

Plant Layout and Material Handling (Tata Letak dan Penanganan Bahan), Agroindustrial Technology Undergraduate Course

Statistical Method (Metode Statistika), Agroindustrial Technology Undergraduate Course

Industrial Systems Control Technique (Teknik Pengendalian Sistem Industri), Agroindustrial Technology Undergraduate Course

Production Planning and Control (Perencanaan dan Pengendalian Produksi), Agroindustrial Technology Undergraduate Course

Plant Layout Design (Perancangan Tata Letak), Industrial Engineering and Management Vocational Course

Material Handling (Penanganan Bahan), Industrial Engineering and Management Vocational Course
