The synopsis for this grant opportunity is detailed below, following this paragraph. This synopsis contains all of the updates to this document that have been posted as of 08/10/2009. If updates have been made to the opportunity synopsis, update information is provided below the synopsis.

If you would like to receive notifications of changes to the grant opportunity click send me change notification emails. The only thing you need to provide for this service is your email address. No other information is requested.

Any inconsistency between the original printed document and the disk or electronic document shall be resolved by giving precedence to the printed document.

Description of Modification

The purpose of this Amendment No. 2 to APS No. Indonesia 09-014 is as follows: (1) To allow Indonesian universities to submit applications as a lead institution; (2) To change the dates for second and third phases of competition in order to provide institutions of higher education with more time to prepare quality concept papers. The new closing dates are: Second Phase – April 30, 2010 and Third Phase – August 27, 2010; (3) To revise the following sections of the APS: Section I.E “Intended Partnership Characteristics; Section IIB.b. “Application Requirements – Technical Narrative”; Section IIC. “Technical Evaluation Criteria for Concept Papers”; Section III.A.1(a)(4) Management Plan; and Section IIIIC. “Technical Evaluation Criteria for Full Applications”. (4) In Section III “Full Application Submission and Information”, add two new sections, as follows: Section D “Responsibility Determination” and
Section E – Pre-Award Survey (Grant worthiness Assessment). For the Second and Third Phases of competition under this APS, there is no preference for the lead institution to be an Indonesian or U.S. institution of higher education, as long as all other requirements (see Section III) are met. Organizations who submitted Concept Papers in 2009 and were not selected are welcome and encouraged to revise their Concept Papers (based on the detailed advice in this announcement), and should submit a new proposal in order to be considered again. Attached is the Revised APS, incorporating the above changes.
